

## INDUSTRIAL PEACE NOW IN HANDS OF J. D. ROCKEFELLER

**Appointed Chairman of the Public Group, His Duty is to Frame Scheme That Will Produce Peace**

**Nov. 1st is Expected to be the Climax in Industrial World, When 2 Million Men May Strike**

(United Press Staff Correspondent)

Washington, D. C., Oct. 24—With two million workers on strike or threatening to strike, the framing of peace is now in the hands of John D. Rockefeller, Jr., capitalist and son of the richest man in the world.

Rockefeller began work on the assignment when the public group of the industrial conference named him chairman and upon such group devolves the task of carrying out President Wilson's recommendations.

Rockefeller walked with a big bundle of papers to his office in the hotel.

The committee also includes John Spargo, socialist; Miss Ida Tarbell, woman writer noted chiefly for her history of Rockefeller's father; Thomas B. Jones, of Chicago; Ward F. Burgess, of Omaha.

Rockefeller and the members of the commission are considering how to carry on the national industrial conference work and gain a standing in the public estimation.

The first thought was that the breakup of the conference because of the walk-out of the labor group might impair its standing. The idea is now that the public group be given a new standing and achieve results independently.

Rockefeller in his speech described as "safe, conservative, moderate and sane" likened the problem before the public group as that of a tailor making a new garment from cloth of an old garment.

The group may ask President Wilson to give it a fresh start, reorganizing and giving it a new name.

The situation in the labor world is serious. 500,000 workers are now engaged in strike. It is estimated that the steel workers number 200,000. There are various other trades on strike. Approximately 1,500,000 are threatening to strike or are formulating demands for higher wages.

November 1 is expected to be the climax in the whole industrial world.

John D. Rockefeller, Jr., achieved a reputation for studiousness at the conference and his leadership is relied on to work a way out of the difficulties.

Washington, Oct. 24—With one big strike on and another gigantic one threatening, indications are that organized labor is marshalling all its strength for a finish fight.

The newly instituted national industrial conference is working to find a way for industrial peace.

In a telegram to the Illinois labor convention at Peoria, Samuel Gompers gave notice of a conference of international union heads to meet at Washington at an early date.

Secretary of Labor Wilson prepared to put to President Wilson the coal strike settlement after the secretary's fourth compromise proposal had been rejected.

Wilson had an engagement with Secretary Tumulty at 2 o'clock this afternoon.

The proposed alliance of miners and railway men is to nationalize mines and railways.

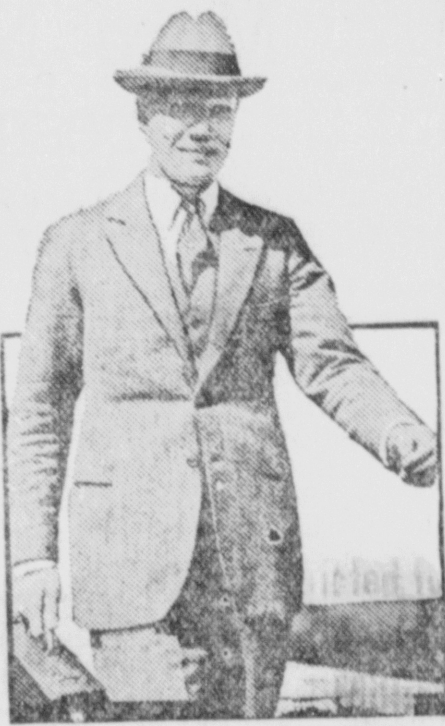

Appearing before the senate labor committee, Lieut. Van Buren, military intelligence officer, declared red agitators at Gary had gone unprosecuted although names had been furnished by the chief of police of Gary, Ind.

## Bulgarian Peace Delegates Proposal

(By United Press)

Paris, Oct. 24—The Bulgarian peace delegates have submitted counter proposals.

WILLIAM C. BULLITT

A new photograph of William C. Bullitt, lately attached to the American peace commission, who testified before the senate foreign relations committee that Secretary Lansing expected the peace treaty to fail.

## National Conference of Federation Heads Called

To Perfect Offensive and Defensive Alliance to Fight Labor's Battles

(By United Press)

Washington, Oct. 24—A conference of the heads of all international unions of the American Federation of Labor will meet in Washington at an early date.

Samuel Gompers, president of the American Federation of Labor, in a telegram to the Illinois State Federation of Labor now in session in Peoria, Ill., gave an answer to the suggestion from the Illinois federation that the American Federation perfect an offensive and defensive, Canadian and American, to fight labor's battles.

Mr. Gompers in his telegram said the message had been received. The executive council of the American Federation of Labor before adjournment, called for a conference at Washington at an early date to deal with the several subjects in the message. He hoped the Peoria convention would be a harmonious one. The conference of union heads is taken to mean that the federation is strengthening its lines for a fight to the finish with the steel companies.

## Coal Miners Strike Occupies Attention

Fourth Effort to Effect Settlement Fails—Differences to be Laid Before President

(By United Press)

Washington, Oct. 24—The settlement of the soft coal strike engrosses the attention of Washington. Secretary Wilson appealed to the miners and operators to remain in session until 4 P. M. to lay their differences before the president.

This came after the rejection of his fourth proposition. The secretary decided he had exhausted his own resources. He has tried to get miners and operators together, appealing to them to picture the want and misery which the strike will engender throughout the nation.

## Lodge Reports Treaty Reservations

Says they Are Backed by a Majority of the Senate

(By United Press)

Washington, Oct. 24—Reservations to the peace treaty were agreed upon by the foreign relations committee as reported by Senator Lodge. The latter said the reservations were backed by a majority of the senate.

The preamble requires they be assented to by three of the leading powers before American ratification becomes effective.

## Miners and Railwaymen Effect Alliance

(By United Press)

Washington, Oct. 24—Miners and the railway brotherhood men plan to meet soon to discuss the nationalization of their industries. Members of both mean nationalization to apply to ownership of mines and railways with the workers sharing in ownership, management and profits.

The miners hope to effect a permanent alliance with the railway men.

## Red Agitators Not Prosecuted

In Gary District Although Their Names Were Given Department Months Ago

(By United Press)

Washington, Oct. 24—Red agitators of the Gary steel district have gone unprosecuted, although names were given the department of justice several months ago, military intelligence officers told an investigating committee.

The names were given as early as last May and turned over to the department of justice.

There have been no disturbances since martial law was declared. The chief of police of Gary, Ind., furnished many of the names.

## Want Aid to Stamp Out Bolshevism

(By United Press)

Washington, Oct. 24—An appeal for aid for department of justice investigators to stamp out bolshevism in the Youngstown, O., district was presented in the senate by Senator Harding of Ohio.

The appeal was expressed in resolutions adopted by the Youngstown, O., Chamber of Commerce. Extracts of speeches and some of the propaganda was submitted by the chamber.

## Doughboys Coaling Transport at Hoboken During Strike of Waterfront Workers

The doughboy proved in France that he can and will do most anything, glory or no glory. Here are some doughboys who were sent from Camp Merritt to Hoboken during the longshoremen's strike which threw 150,000 men out of work and completely paralyzed shipping in the port of New York. They took off their coats and began helping to coal one of the transports because Uncle Sam refused to have his work held up.

## BILL INTRODUCED PROPOSES TO STAMP OUT RADICALISM

**In the Senate by Senator McKellar of Tennessee, Prison and Deportation for Reds**

## Queen Elizabeth Grants Interview

Believes in Co-Education and Women's Votes, But Not Suffrage in Militant Sense

(By DON E. CHAMBERLAIN)

On Board King Albert of Belgium Special, Near Harrisburg, Pa., Oct. 24—Co-education, the right of women to vote, conservative fashions and better educational co-operation between the United States and Belgium were advocated by Queen Elizabeth in an interview taken by a United Press representative as the train of the royal pair approached Harrisburg, Pa.

There was a dense crowd in the coach as the royal couple passed through the aisle. King Leopold stepped over a chair in order to get to the end of the coach.

The queen was most gracious in according an interview.

"Girls," said she, "should be educated for one thing and boys for another."

"I am not a believer in the equality of sexes. Men must be the soldiers and do the difficult work. Women excel as nurses."

"Women must not be forced to work at such tasks for which they are clearly unfitted. They should prepare for specialized work such as nursing, hospital duties, etc."

Queen Elizabeth was not opposed to women voting.

"I am not a suffragist in the militant sense, but I believe in votes for women," said she in conclusion.

## Victors in Airplane Race are Announced

Four Army Fliers, Maynard, Pearson, Donaldson and Smith are Winners

(By United Press)

Washington, D. C., Oct. 24—Lieut. Belvin W. Maynard's laurels as winner of the army transcontinental air derby are secure, was stated officially at the air service department of the government today.

Lieut. Maynard won the race, being the first to make the round trip.

Lieut. Alexander Pearson was the winner so far as actual time is concerned.

Capt. J. O. Donaldson was the winner of the reliability test.

Maynard was the first flier across the continent to San Francisco and back to the Atlantic.

Lieut. Pearson was the winner in speed made. (From San Francisco to New York his average speed was 123.6 miles an hour. His average on the return trip was 109.9 miles an hour.

A third angle of the race was reliability. This was won by Capt. J. O. Donaldson who was the second man to arrive. He flew in a single-seater and had no mechanic and did not change engines as did Pearson and Maynard.

The four army fliers crowned leaders in their respective classes are Pearson, Donaldson, Capt. L. H. Smith and Maynard.

## "Open Shop" Endorsed by the American Iron and Steel Institute

(By United Press)

New York, Oct. 24—2,000 members of the American Iron & Steel Institute endorsed the "open shop". Such action was taken through the adoption of resolutions which in part also expressed admiration for the stand taken by Judge Elbert H. Gary, chairman of the board of the United States Steel Corporation at the Washington industrial conference.

The resolutions were introduced by K. G. Butler, Jr., of Youngstown, O.

## Bulletin on President Wilson

(By United Press)

Washington, Oct. 24—A bulletin at 11:25 this morning on the condition of President Wilson stated he continued to gain slowly in strength. There was nothing additional to report.

The president did no work in the morning, although he asked several questions.

The prohibition enforcement bill had not been called to the attention of the president up to the noon hour.

## Searching for Stored Sugar

(By United Press)

New York, Oct. 24—Arthur Wilkins, federal food administrator, is searching for 12,000,000 pounds of sugar believed to be stored in New York marked for export.

## Lenoir Shot by Rifle Squad

(By United Press)

Paris, Oct. 24—Pierre Lenoir, implicated with Bolo Pasha and Joseph Calliaux in charges of treason against France, was executed this morning. Because of partial paralysis he was permitted to sit down when the firing squad lined up before him and then fired the fatal salvo.

Three reporters who managed to elude guards and saw the execution were arrested.

## BODY OF WOMAN LIES IN SHACK SIX WEEKS

Minneapolis, Oct. 23—Undiscovered for six weeks, the body of Mrs. Ellen Prindivell, 55, lay in a one room shack near Fifty-sixth St. and Forty-third Ave. S. It was found yesterday by Mrs. Georgianna L. Sherrott, policewoman.

Dr. C. A. Hobbs, deputy coroner, is investigating the case today.

Mrs. Prindivell had been employed in a hotel. A purse containing \$36 was found and deeds for two lots recently purchased. The woman probably became ill, Dr. Hobbs said, and was unable to summon aid.

## Mike Gilhooly of Belgium, Champion Stowaway, and American Benefactress

Mike Gilhooly, world's champion sixteen-year-old stowaway, after five attempts to become an American citizen has convinced Uncle Sam that he's made of the right stuff. Mike's Irish father died in Belgium before the war and his Belgian mother was killed during the war. Four times he stowed away, four times he was sent back, and when he arrived for the fifth time on the transport Orizaba he was held at Ellis Island. Then

## Advocating Overthrow of Government Peaceably or by Force is Felony

Washington, Oct. 24—A bill to stamp out every vestige of red radicalism was introduced in the senate today by Senator McKellar of Tennessee. The bill provides that any one advocating, even peacefully, the overthrow of any government, and the person associating publicly or privately in such movement shall upon being found guilty be sentenced to pay a fine of at least \$5,000 and imprisonment of from one to ten years.

The jury may order deportation to a portion of the Philippines set aside for such purpose. The bill includes any citizen who through verbal, written or printed correspondence with any other citizen or alien, peaceably or by violence, works to overthrow the government of the United States, or to disintegrate any or all government or who joins any organization having this purpose, or who directly or indirectly, publicly or privately, associates himself with any such person or persons. Such persons shall be held as adhering to the enemies of the United States.

The bill includes any citizen who through verbal, written or printed correspondence with any other citizen or alien, peaceably or by violence, works to overthrow the government of the United States, or to disintegrate any or all government or who joins any organization having this purpose, or who directly or indirectly, publicly or privately, associates himself with any such person or persons. Such persons shall be held as adhering to the enemies of the United States.

## FARM BUREAU

### MEETS IN CITY

Plans Perfected for Annual Membership Drive Which Takes Place Last Week in October

20 JOIN AT THE MEETING

State Federation Movement Explained by County Agent E. G. Roth and Other Speakers

The Crow Wing County Farm Bureau held a meeting Tuesday afternoon, October 21st for the purpose of considering State Federation of Farm Bureaus and to plan for the annual membership drive which is to take place the last week in October. 125 members were present. Several other farmers who are not members put in application for membership and were accepted after the meeting.

Mr. Darby of Carlton county, a member of the Committee of Ten, who drafted articles for the State Federation, was to speak but failed to appear. The program was carried on without him. The meeting was called to order by Farm Bureau President J. W. Fitzpatrick. The State Federation movement was explained by County Agent Roth and was endorsed heartily in speeches by P. M. Zakariassen, Bert Sablin, E. R. Wise, A. J. Hayes of the First National bank and F. H. Simpson of the Citizens' State Bank. A general discussion followed in which everyone was in favor of State Federation, everybody emphasizing the fact that a strong organization of the farmers was necessary and that the Farm Bureau was a logical method of securing this strong organization.

It was brought out in the meeting that the Farm Bureau can handle business problems, development problems, educational problems or anything that may arise in the matters of farmers and in a broad scope take care of the farming interests in the same way that a union takes care of labor interests or the bankers association takes care of the banking interests. The Farm Bureau hires the county agent, regulates his activities, audits his expenses, and is accountable for his actions. They have the power to hire him or discharge him. Through the Farm Bureau government, state and county funds are secured for agricultural development and county agent work.

20 farmers present who were not farm bureau members applied for membership at the close of the meeting and all Farm Bureau members present promised to help secure more members, realizing that by the cooperation of all the Farm Bureau Members in the county only, can a strong Farm Bureau be established and in that way can we successfully hope to make it an influence worth while in the county. It is by the cooperation of all that things can be put across whether it is a business proposition dealing directly with some marketing phase or purchasing phase of the farming industries or whether it is a developed enterprise.

Any progressive farmer in the county who wishes to make his work mean something, who wishes the farming industry to be a potent factor in national life and in the big movements that are going on today, should identify himself in the Farm Bureau. He should make application for Farm Bureau membership

at once. Write for application blanks to E. E. Taylor, secretary-treasurer of the Farm Bureau, Brainerd, Minn., or County Agent E. G. Roth, Brainerd, Minn.

This is a movement that should take in every farmer in the county.

## LABOR MAN PRAISES ROOSEVELT'S FAIRNESS

Statement Issued by John P. Gardner, Commissioner of Labor, Minnesota.

The campaign now being waged to raise funds in this state as a contribution to the National Roosevelt Memorial Fund should commend itself to every American citizen, irrespective of station in life, whether business man, artisan, mechanic or laborer, all of whom should take a personal pride in contributing his or her share, be it great or small, to such a commendable and worthy object in order that a fitting memorial may be dedicated to the memory of the greatest American who ever lived and one who always truly representative of the greatest country in the world.

The late Theodore Roosevelt was always proud of his country and of its people. In his every-day life, whether public or private, he recognized no middle ground as between the capitalist, business man, railroad president, or the common laborer. When it came to performing a plain public duty, all looked alike to him, and it seems to me that all American citizens of this great commonwealth should cheerfully and voluntarily contribute their mite to the worthy cause of dedicating a national memorial to the lasting memory of the great American and advocate of the square deal—the late Theodore Roosevelt.

## Round Table Conference

Grand Forks, Oct. 24—North Dakota's round table conference similar to the national conference now in Washington will be in the form of a Reconstruction meeting today and tomorrow. Glenn E. Plumb will debate his now famous plan of operating the railroads with a representative of the Great Northern railroad. Mr. Plumb is so scheduled to be here tomorrow.

Other speakers will be: Thomas A. Crear, president of the United Grain Growers of Manitoba; W. A. Ring, Winnipeg labor man; Dr. J. H. Finley, commissioner for education state of New York; representative of the national bankers association; and J. N. Hagan, commissioner of labor and agriculture.

## IT PAYS TO ADVERTISE

THOUGHT ONE CLEAN SHIRT ALL HE NEEDED

"Ten years ago I was reduced to a mere shadow. I was yellow as a gold piece and would often be doubled up with most excruciating pains in my stomach. Physicians could only relieve me with morphine. I was advised to try May's Wonderful Remedy and it helped me at once. What is more, I have been well ever since. A friend said he thought one more clean shirt was all I would ever wear." It is a simple, harmless preparation that removes the catarrh mucus from the intestinal tract and plays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

**RED CROSS ROLL**  
**CALL NOV. 2-11**

Every person who joins the Red Cross during the Roll Call November 2nd to 11th, 1919 will be given a button and a window service flag. These indicate that that person has cast a vote of confidence in the American Red Cross. The button and the service flag will be the receipts for annual membership paid.

The service flag is 7 1/2 x 11 1/2 inches and consists of a large red cross on a white background with the figures "1920" in blue beneath the cross. Three blue stripes around the outer edge of the service flag indicate the three annual membership roll calls. The flag should be displayed when the first member of the household joins and should be kept on display throughout the year. As other members of the household join, additional red cross stickers will be provided to be placed on the flag.

Homes that do not display service flags will be solicited again during the last two days of the Roll Call. Wear Your Button. The "Badge of Americanism" this year consists of a neat little celluloid button of white, bearing in its center a red cross beneath which are the figures "1920" in blue. It should be a distinct source of pride to every American to wear this button which represents so much to humanity the world over. Keep it in view throughout the Roll Call for it will save you from embarrassment during the last two days, when every citizen not wearing a Red Cross button will be solicited to join.

"You Honor the Red Cross and Yourself When You Join."

**Peterson-Wilson**

Hilmer A. Wilson, a well known young man of Brainerd, was married on Monday evening to Miss Doris Peterson, a young lady of South Long Lake. The wedding took place at the bride's home, the immediate relatives being present, Rev. P. G. Fullquist of the Swedish Bethany church, officiating. A fine wedding supper was served after the ceremony. The couple left in the evening for a short honeymoon trip.

The bride is a daughter of Mr. and Mrs. Peterson, prosperous farmers of South Long Lake, and is a popular young lady of this community. Mr. Wilson is a machinist in the Brainerd shops. Mr. and Mrs. Wilson will make their home at 1523 Pine street Southeast Brainerd.

The Dispatch wishes their many friends in wishing them much happiness in their wedded life.

**SCHOOL OF INSTRUCTION**

One of Most Successful Ones in History of Brainerd Order Eastern Star Held Wednesday

A most successful school of instruction for the Order of the Eastern Star was held in the Masonic hall on the afternoon and evening of Wednesday of this week.

The local chapter Alpha No. 23, joined with Woodland of Altkin, Orchid of Staples and Evergreen of Crosby in exemplifying the work of the Eastern Star.

Miss Jane Todd, the Worthy Grand Matron of this state, was present to conduct the school.

Judged from every standpoint this gathering was an unusual success.

The attendance passed all previous records there being two hundred at the afternoon session and at least two hundred and fifty present at the evening festivities.

Brothers and sisters from all adjacent lodges were present to engage in the work.

The display of elegant gowns was dazzling, so much so that the Rev. Hans J. Wolner in his address of welcome said that the lodge room presented the appearance of a beautiful garden.

The work done by the various lodges received the highest commendation of the Worthy Grand Matron.

A supper was served by the ladies of the First Methodist church in the parlors of the church and one hundred and eighty seven sat down to a well cooked, well served dinner.

A delightful program was rendered in the evening.

Mrs. Babcock, who is the fortunate possessor of a marvelously clear lyric soprano voice, favored the audience with a number of selections which were superbly rendered and received the unbounded approval of her captivated listeners. The accompanists were Mrs. Wieland and Miss Alice Johnston, the latter playing the violin. Mrs. Babcock was ably supported by these talented artists.

The ladies quartet of Orchid Chapter of Staples, more than lived up to expectations and the blending of their well handled tones was a treat to the most sensitive musical ear.

Among the program of such unusual merit, the work of the Nelsons easily held its own. Morris Nelson though young in years demonstrated that he was ahead of his years when playing a violin. His sense of interpretation of the spirit of his selections marked him as possessing far more than the average musical ability. His sister Gwendolyn Nelson, rendered the piano accompaniments with equal skill and the selections of these two juvenile artists received little less than an ovation.

Dancing followed the musical program and the orchestra led by Walter Frampton received the applause of the delighted couples. Later in the evening refreshments were served.

**First Baptist Aid**

The Ladies of the First Baptist church will give a food sale at the Slipp-Gruenhagen store on Saturday afternoon, Oct. 25.

**Vanderbilt Heir and New York Girl Who Is to Become His Bride**

Mr. and Mrs. Martin W. Littleton of New York are soon to announce the engagement of Miss Rachel Littleton, sister of Mr. Littleton, well known as a lawyer and formerly representative in congress, to Cornelius Vanderbilt, Jr., only son of Brigadier-General Cornelius Vanderbilt, who is now a reporter on a New York newspaper is twenty-one years old and Miss Littleton twenty.

**BETTER THAN CALOMEL**

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 10c and 25c.

**DEMOCRACY IN EDUCATION**

Maynard Lee Daggy Gained Honors for Work in That Field, Star Number in Lyceum Course

Those who attend the lecture of Maynard Lee Daggy, known as the "Champion of Democracy in Education," at the Gardner auditorium this evening, will not and one dull moment, but, on the contrary, an evening of rare entertainment and a lecture which promises to afford plenty of food for thought.

Unlike many other platform speakers, Mr. Daggy keeps his audience with him from the beginning to the close of his address, and his remarks are not "over the heads" of his hearers, but he drives his remarks home in such a manner as to impress his hearers and give them something to think of long after he has come and gone.

It is anticipated that there will be a good sized audience at the auditorium tonight to hear Mr. Daggy, as this is an opportunity not often afforded Brainerd people and is made possible through the engagement here of the talent directed by the State University Lyceum Bureau.

Holders of season tickets are urged to bring these with them this evening and present them at the door. Single admissions can be obtained here this evening.

**When a Child has Croup**

Thousands of mothers say Foley's Honey and Tar Compound is the best remedy they know for croup, coughs and colds. It cuts the thick, choking mucus, clears away the phlegm, opens air passages and eases hoarseness. The gasping, trampling fight for breath gives way to quiet breathing and peaceful sleep. H. P. Dunn. mwf

**Soap in Shanghai.**

There is a big demand for soap in Shanghai, over 100 brands of laundry soap being in use, 35 made in China from the abundant native fats and oils, 20 in Great Britain, 5 in America, 4 in Japan, 2 in France and 1 German brand made locally.

**Lion's Head in Fountains.**

The original reason for the choice of a lion's head in public fountains where the water comes out of a lion's mouth was, remarks an exchange, that among the ancient Egyptians the rising of the waters of the Nile, which was the most important event of the year, meaning life and prosperity to the whole nation, always took place when the sun was in the constellation of Leo. The lion's head on fountains is a symbol of the life giving waters of the Nile.

**IT PAYS TO ADVERTISE**

**NOSE CLOGGED FROM A COLD OR CATARRH**

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hacking, sniffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone. Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

The Locomotive Electric Washer embodies many valuable features not found in any other washer. It is built to give satisfaction, and the materials used in its construction are the best that money can buy.

The movement of the boiler causes a violent agitation of the water in the form of a figure 8. In this way, forcing the water through the fabric cleansing thoroughly and quickly.

The movement of the boiler and the heat under it, form a forceful vacuum and steam action, hastening the cleansing process, sterilizing the clothes at the same time.

The Locomotive Washer is simple in construction, easy to operate, and there is nothing to get out of order. Built from a woman's point of view.

You may look at other washers, but you will BUY A LOCOMOTIVE WASHER.

Mrs. A. M. McQuaig of New York City will be here soon to demonstrate the machine.

## WHAT IF THE FARMERS SHOULD STRIKE?

By E. G. ROTH

In the October 25th issue of the Country Gentleman there is an article entitled "Suppose the Farmer Should Strike"? Imagine Mr. Farmer, for yourself, what the answer to such a question would be. Supposing that the farming interests would demand what they have a right to demand with the other lines of workers. Supposing production on the farms would be cut practically in two? That it would mean the starvation of thousands of those who are now crying for shorter hours and larger wages which ultimately is taken out on the farmer?

Yet the farmers have a right to demand an equal share of work with the other workers of the world. If a labor man is entitled to an eight hour day, so is the farmer. If a business man is entitled to an eight hour day, likewise so is the farmer. Likewise as it is fair for other workers to secure their demands by striking, should it not be equally legitimate for farmers? Yet this is entirely possible. A national Federation of Farm Bureaus will make this a possibility. The Farm Bureau is a war baby. It was a necessity that was brought about by the war conditions. It was necessary during war

times to have the farmers organize for larger production. It is one hundred times more necessary at the present time for farming self-preservation. To see farmers pulling together is a new and novel sight to the rest of the world. At a county fair not long ago, there hung on the outside of a show tent "10c to see the most wonderful sight in the world," and upon entering, what do you suppose this wonderful sight was? It was ten farmers pulling together on a rope! Ten farmers pulling together! Surely a strange, wonderful sight.

There are at present twenty states which have within the last year organized their County Federation of Farm Bureaus into a State Federation. Minnesota has it up for consideration now. The Crow Wing County Farm Bureau at a special meeting October 21st, unanimously voted for a State Federation of Farm Bureaus. In November these different State Federations are to hold a meeting in Chicago to consider a National Federation of Farm Bureaus and it is coming just as surely as night follows day. A strong National Farm Bureau represented by the strong, active County Farm Bureaus who are working for farming interests and who are managed by cool, level-headed farmers. In Washington when Congress recently passed the Daylight Saving Repeal Bill over the president's veto, it was largely because one farmer speaking for four others beside himself, told Congress that it had to be done. On the face of things, it looked as if these farmers had more power in Congress than did Woodrow Wilson. What it really meant was that Congress paid more heed to the American farmer than it did to labor and business. This shows the extreme necessity of keeping up to the maximum agricultural production. Of these five men three represented State Farm Bureau Associations.

J. R. Howard of Iowa represented 50,000 farmers, members of the Iowa Farm Bureau Federation who were pulling together and the other men each represented about 50,000 farmers. Speaking as they did for the Farm Bureau Members of the country that they represented nearly a million farmers getting ready to pull together. The day when farmers can be made the object for a side show has gone.

Fellow Farmers, help us get together on this. Talk about the Farm Bureau to your neighbors and get

them to join because it is a necessity for farming existence. The farmers' boys are leaving the farm to accept the short hours and high wages of the city. Iowa, alone, at present is 50,000 farmers short and farmers must get together.

Find out what Farm Bureau means. Tell it to your neighbors and explain it for it is something that although new, is a necessity of the present day. Do not let someone tell you that it is just another organization to hoodwink the farmers. Opposers will tell you that to break its power. Do not be fooled.

## PAVING MATERIAL

A contest is raging in St. Louis county over the question of paving the hard surface roads in that county authorized by a bond issue of seven and one-half million dollars.

The advocates of bitthulitic paving are urging the adoption of their process, claiming it makes the best hard surfaced roads now being built.

The advocates of cement deny this claim and are urging the building of cement roads, insisting they make the better road and at a cost of \$1.10 a square yard less than the bitthulitic paving costs. They also insist that the cement roads will wear better than the bitthulitic but if in the course of 15 or 20 years they begin to show wear, a surface coating of bitthulitic material can be applied at a very small cost, and a perfectly new road will be obtained. The foundation of the bitthulitic road must be of cement, so why not build and use as a cement road for several years, perhaps many, before a bitthulitic surface will be necessary or desirable.

The Duluth News-Tribune is an ardent advocate of the cement road as the cheapest and most desirable, stating that fifty miles more of cement road can be built for the money available than of the bitthulitic variety.

Crow Wing county has eight miles of hard road building or to be built in the early spring, and that contracted for is to be cement. It is the prevailing opinion here that the commissioners made no mistake in choosing the cement construction for hard surfaced roads.

## WHERE SOME OF THE SUGAR WENT

If press reports are true, Secretary of War Baker ordered the sale of two billion dollars' worth of army sup-

plies in France to the French for about one-fifth their value. Among the items said to have been included were millions of pounds of sugar and other foods, two million blankets, etc. It is said that he ordered this surplus sold in order to "not disturb the market in America."

## CASS LAKE IN THE SOUTH

Secretary Fred T. Lincoln of the N. M. D. A. attended the annual convention of the Mississippi River Scenic Highway association at Memphis, Tennessee last week and while there

during the convention, showed the film of the Cass Lake pageant of last summer with the Cass Lake and other views of Northern Minnesota scenery. That ought to get some more people from the south to come up and see the real scenery we have. Lincoln's there!—Cass Lake Times.

The Dispatch "seconds the nomination" in the foregoing reference to Fred Lincoln. He is doing his part for not only Brainerd but northern Minnesota as a publicity man and constructive worker. Few men are better known in this line of work and Brainerd long ago "adopted" him permanently.

# FARM BUREAU IN GOOD RECORD

Crow Wing County Farm Bureau has Been a Vital Factor in Agricultural Growth

## GREAT CONSTRUCTIVE FORCE

Work is Carried on Through the County Agent Directed by the Farm Bureau Directors

A record of achievement and not mere promises is that of the Farm Bureau of Crow Wing county.

Here are some of the things that the Farm Bureau has done in Crow Wing county:

1. Organized, assisted and advised farmers' clubs, boys' and girls' clubs and community clubs in the county.

2. Organized livestock shipping association for Brainerd.

3. Assisted in securing a farmers' cooperative creamery for Brainerd.

4. Helped introduce 30 pure bred bulls into the county.

5. Found pasture for 10,000 head of sheep and 400 head of cattle in the county for Montana stockmen. Over 1,500 head of these were sold to Crow Wing county farmers.

6. Secured and financed 300 bushels of Rosen rye, certified seed, for this fall's planting for the farmers from different parts of the county.

7. Sold several carloads of potatoes for farmers at prices ranging from 20 to 60 cents per hundred higher than local buyers here offered.

8. Sold clover seed at \$3 to \$5 per bushel more than was secured locally.

9. Assisted in the organization of rural telephone lines into a single unit to secure lower rates and better service.

10. Assisted in the organization of a strong potato shipping association at Pequot.

11. Published monthly an exchange bulletin for all farm bureau members to put farmers who have farm items for sale and those who want farm items in touch with each other.

12. Keeps in touch with the work of Experiment Stations and brings the result of their investigations before the farmers.

13. The Farm Bureau office furnishes a place where all farmers can secure information, help, bulletins, and advice as they need it on agricultural subjects.

This work is carried on through the county agent who is manager of the Farm Bureau. The work of the agent is directed by the Farm Bureau directors and advisers who hire him and have the power to discharge him, regulate his work, and audit his expenses. The Farm Bureau directors have power to appoint committees for such work as they see fit. The board of directors is elected annually by the Farm Bureau members.

What the Farm Bureau Can Do. By a strong organization all farmers represented by a large majority of the farmers of the county, the county Farm Bureau can do the following things:

1. Regulate prices of farm products equal throughout the county and on a fair basis with standard markets.

2. It can introduce into the county pure bred seeds, stock and profitable animals at a cheaper, business like way than can be handled individually.

3. It can standardize seeds and grains uniformly throughout the county to meet market demands.

4. It can secure government T. N. T. for land clearing and state assistance for this important work.

5. It can adopt standards for handling farmers' interests on a business-like basis.

6. It can, by a strong organization, control the vital interests of farmers wherever farming interests are involved.

## ROLL OF HONOR

Lt. Pommarane of Oshkosh, Wis. is the guest of Louis Hathaway. Mr. Hathaway and Mrs. Pommarane were in the same company of the Second Division and were stationed at Neuweid, Germany, some distance along the Rhine from Coblenz.

## Card of Thanks

Mr. and Mrs. J. Vanderwerker and family want to express their heartfelt thanks to their neighbors and friends, especially Mr. and Mrs. W. E. Lively, for kindness during the illness and death of their son Fred. They also wish to give thanks for the many beautiful flowers and music.

## NEW DISTRICT AGENT

James E. Stevenson Made District Agent of the Northwestern Mutual Life of Milwaukee

James E. Stevenson, lately associated with W. F. Wieland in the Insurance Service Agency, has been recently appointed sole agent for the Northwestern Mutual Life Insurance Co. of Milwaukee, Wis., for the district of Brainerd. His offices will be continued at the same place in the First National bank building.

Mr. Stevenson returned from Minneapolis on a four days business trip in connection with the above. He is a young, capable, energetic man of pleasing address and friends are assured he will be successful in his chosen field in the insurance business.

## PARK THEATRE DRAWS CROWD

One Thing Contributing to Success Is the Alterations in Seating and Entrance Made

## HAS EIGHT SWINGING DOORS

Entire House Cleared in 3 Minutes 20 Seconds Sunday Night, Can Be Done in 2 Minutes

A remarkable thing in amusement annals is the crowds the new Park Theatre is drawing. The best continues to hold its patronage and in spite of that the Park has had every show filled since the opening on Sunday evening.

One thing contributing to the Park success is the alterations and improvements made. The entrance has eight swinging doors. The lobby is wide and roomy. On Sunday evening, with all arrangements not entirely completed, the Park was able to dismiss its large audience without crowding in 3 minutes, 20 seconds. With everything working properly, this can be done in 2 minutes.

The interior of the theatre has been finished in French gray tones and the various shades blend beautifully. "The Miracle Man" filled every seat Wednesday and Thursday evenings and a good crowd is also anticipated for tonight.

## CHAMBER CLUB DINNER

To be Held October 27th and Followed by the Roosevelt Meeting

The ladies are invited to the Memorial dinner and exercises at the Chamber of Commerce rooms Monday evening at 6:15 o'clock. The regular Chamber meeting follows the memorial exercises.

Monday evening, October 27th, will be an interesting one at the Chamber of Commerce rooms. The regular club dinner will be served at 6:15 sharp by the House and Social committee and will be followed by the regular meeting of the Chamber, which was postponed from Wednesday evening last. Matters of a routine nature will be taken up at this meeting and the use of the rooms will then be turned over to the Roosevelt Memorial committee, Chairman C. A. Allbright having called a meeting of officers and ward workers for that evening.

Judge Walter F. Wieland has been judged to prepare a program which will consist of short addresses and music. The ward workers are expected to make their reports as to collections and pledges for the Roosevelt Memorial.

The club dinner is for members and their friends and the memorial committee and the House and Social committee will serve an excellent menu. All members are urged to interest some friend who is not identified with the organization and new members are cordially invited to attend this dinner and the meeting which will follow.

The following ward workers for the Roosevelt memorial have been named:

First Ward—R. R. Wise, chairman; Fritz Stout, R. R. Gould, Geo. A. Tracy, Arthur Dargen, Harry Butler, L. Harrison, Mrs. C. B. Rowley, Mrs. E. M. McMannis.

Second Ward—G. D. LaBar, chairman; A. G. Trommald, O. A. Peterson, F. H. Simpson, H. E. Kundert, J. P. Anderson, H. L. Jones, H. E. Scott, Clyde E. Parker, Dr. J. A. Evert, D. E. Whitney, G. W. Chadbourne, Geo. E. Lowe.

## NORTH ROAD ON SERPENT LAKE

About Four Miles From Crosby to Deerwood Ordered Built by County Commissioners

## MILLE LACS LAKE LEVEL

\$180,000 Road Bonds to be Sold November 1—Mining Taxes Lowered by State

The county commissioners of Crow Wing county have awarded the contracts for the construction of about four miles of new roadway on the north side of Serpent lake extending from Crosby to Deerwood. There were five bidders for the general road work. Wilkins & Pettyjohn of Park Rapids were successful at \$28,081.97. The highest bid was that of Peter Nelson & Son for \$42,222.42. The sectional concrete culverts were awarded the Atlas Culvert Co., at \$1207.90.

The commissioners have taken under consideration the appeal of the Mille Lacs Lake Scenic Highway Association in reference to establishing and maintaining the water level of Mille Lacs lake. The board went on record as favoring the proposition of raising the level of the lake and that it be established two feet above the apron that is now under the Rum river bridge.

On November 1 Crow Wing county will sell \$180,000 bonds, 5 per cent payable semi-annually, for the improving of State Road No. 2, such parts being designated as Federal Aid Projects No's. 51 and 73.

The county has made application for the allotment of \$30,000 from the federal aid funds of the state to aid in the construction and improvement of State Road No. 2 from Nineteenth street in Brainerd to the southeast corner of the northeast quarter of section 27, township 45, range 30. Upon such aid being granted, the county will complete the project as a hard surfaced road, according to the requirements of the commissioner of highways and the secretary of agriculture, the estimated cost of such improvement being \$120,000.

The board has gone on record as opposing the action of the Minnesota Tax Commission in reducing iron ore values in the towns of Crow Wing, Deerwood, Irondale, Long Lake, Nokay Lake, Oak Lawn, Rabbit Lake and Wolford, and villages of Ironton, Crosby, Manganese and Trommald.

They also disapprove the action raising the assessment on cattle, horses, and hogs over county board of equalization figures.

## RED CROSS ROLL CALL

Plans Perfected for Roll Call Opening November 2 and Closing November 11

Plans for the annual Red Cross Roll Call, which opens November 2 and closes November 11, are about completed under the personal direction of County Chairman Milton M. Mahlum, with every prospect that the city and county will go over the top in a splendid manner.

Mr. Mahlum has surrounded himself with well known successful workers, all seem keenly enthusiastic and the general public is in a receptive attitude in this campaign in the interests of the work outlined by "The Greatest Mother in the World", the American Red Cross.

## Ladies Co-operate

The ladies are co-operating in their customary enthusiastic manner. Mrs. E. J. Quinn, who was so successful in community leadership during the war, has kindly consented to take charge of the young ladies who will solicit the down town district.

The Woodhead Motor Company has volunteered space in their commodious quarters on Front street, where a telephone will be installed and headquarters maintained under the personal supervision of Attorney L. B. Kinder, city chairman.

Literature and posters have been sent out to all branches and auxiliaries under the direction of L. E. Hathaway, assistant county chairman, who was ably assisted by H. R. Griebel, the photographer, Roy Wheeler and a number of high school boys and the details are being carefully and systematically worked out in every department.

On Sunday, November 2 local pastors will preach sermons with the Red Cross and its work as the theme and when the active campaign opens on Monday, Nov. 3rd, there will be nothing left undone to prevent the drive being put over in short time and with plenty of public support.

## Cheering Him Up.

He (dejectedly)—Is this final? Is there no hope for me?  
She—Oh, my yes! There are lots of girls who are not so particular as I am.

## SOCIAL SUPPER WELL ATTENDED

Bricklayers, Masons and Plasterers Local No. 14 Entertains Guests on Saturday

## MANY VISITORS ARE PRESENT

Menu Included Oysters, Chickens, Mashed Potatoes, Fruit Salad, Celery, Pickles, Etc.

The Bricklayers, Masons and Plasterers Local No. 14 held a social supper on Saturday evening, Oct. 18, which was attended by members of the union, their wives and families and many invited guests. The guests numbered members of the Minneapolis, Crosby and Wadena locals and others.

Brother Mark Morris, wife, daughter and sister motored to Brainerd from Bemidji to attend the supper.

Senator Hilding Swanson and wife, President of the Brainerd Trades & Labor Assembly E. L. Dahl and wife, Rev. W. J. Lowrie, and P. T. Brown, vice president of the State Federation of Labor were among the guests at the supper.

Mrs. B. A. Cammelson and Mrs. G. A. Hagberg had charge of the supper. The menu included oysters, chicken, mashed potatoes, fruit salad, celery, dill pickles, pie, cake, cookies and ice cream.

After supper a social evening was spent which included music, readings, and solos by members of the Bricklayer's union.

Senator Swanson spoke on the preparation of bills, progress through committees etc. before becoming a law, which was very interesting. The senator also sang "Bubbles", accompanied by Miss Hagberg.

A very enjoyable evening was spent and as E. L. Dahl said he had attended many suppers given by local organizations, but he would doff the hat to the Bricklayers, Masons and Plasterers, and all the invited guests said that if ever they were invited again to a supper by Local No. 14 they would surely show their appreciation by being in attendance.

## PECULIAR TANGLE IN CITIZENSHIP

Frank Hartley of Everett, Wash., Former Mayor of Brainerd 3 Terms, No Citizen of U. S.

## NEVER HAD FINAL PAPERS

Was Probate Judge of Cass County—Declaration Had Only Made Him Voter in Minnesota

R. A. Hennings, general chairman of the Northwest district of machinists, while at Seattle, Wash., came across an article dated October 16, in an Everett, Wash., paper concerning Frank Hartley, former mayor of Brainerd, and sent the clipping to A. Weideman, of the water and light board who gave it to the Dispatch.

Hartley, who was mayor of Brainerd three terms and later probate judge of Cass county and then a resident and voter for years of Washington state, now has his citizenship challenged in Washington and finds out that his declaration of intention was never followed by the necessary papers to complete his citizenship.

The Everett article follows: Despite the fact that Benjamin Franklin Hartley, of 1518 Rucker avenue, has been an active citizen of this country for half a century, has held public office some four times, and has cast ballots in this state for a dozen years, he cannot vote in the coming election.

The only way he will be permitted to vote is by filing his citizenship papers with the city clerk when he goes to register, following out the provisions of an act of the recent legislature. These papers Mr. Hartley does not possess. He was born in St. Stephens, New Brunswick and came to this country when but 16 years of age, along with his parents.

Not depending on his father's citizenship, he filed declaration of intention in Minnesota. This declaration, in that state, made him a voter, though not a citizen of the United States. He never secured his final papers, though he was for three terms mayor of Brainerd, Minn., and also judge of the probate court of Cass county, Minnesota.

Coming to this state, he continued in good faith to exercise the voting privilege, though in Washington state that right is reserved to citizens of the United States, with a certain exception regarding territorial voters. The enforcement of the law requiring filing of citizenship papers stops him from voting in this election for the first time since he has lived in the state.

Now he will have to wait until next February, at least, before becoming a citizen. The matter has been referred to John Speed Smith, naturalization examiner in Seattle, as coming under the special act allowing papers of those that have been exercising the rights of citizenship in good faith without the customary two years' wait. The final hearing on his petition will come before the court in February.

"There are a number of voters in the state who are not citizens of the

## Closing Out Our Millinery Department

### Mrs. Carrie Chapman Catt

Mitchell, S. D., Oct. 24.—Mrs. Carrie Chapman Catt, for twelve years president of the International Women's Alliance, was expected here this afternoon to address the first convention of the League of Women Voters of South Dakota.

Mrs. Catt promised to address the convention after urgent representations by Mrs. John L. Pyle, Huron, president of the State League of the Women Voters. She was to address women of the state last fall but she was taken ill with influenza shortly before her engagement here. After speaking here Mrs. Catt will go to Minneapolis for a conference with women there.

Write for catalog, hair cutting chart and convincing literature on why you should become a barber. Free tuition to serve men. Supplies free.

TWIN CITY BARBER COLLEGE  
204 Hennepin Ave., Minneapolis, Minn.

## Not Always Unlucky.

Friday has not been unlucky in history, if it is so considered by many. It was on Friday, August 3, 1492, that Columbus set sail on his voyage of discovery, and Friday, October 12, that he first sighted land; Friday, November 22, 1493, that he reached Hispaniola on his second voyage; Friday, June 13, 1494, that he reached the continent of America. It was on Friday, July 17, 1776, that the motion was made that the United colonies are and ought to be free and independent. Many more occurrences could be cited.

**Tactful Department**  
We are conscious at all times of the intimate nature of our commissions. Upon all occasions our tactful department is found to be invaluable.

## COLUMBUS DAY OBSERVED IN CROSBY

Knights of Columbus Gave a Dance and Supper at the Armory

## MANGANESE ROAD IMPROVED

E. A. Carhart, Soo Agent, to go to South America to Manage Railway There

Crosby, Oct. 20.—The Knights of Columbus of the Cuyuna range celebrated Columbus day by giving a dance and supper at the Armory on Monday evening. An exceptionally good time is reported.

The village street crew has about finished the season's work. The road to Manganese will be touched up and probably cinders will be hauled on some of the streets.

Lieut. Earl Dawson, who visited his parents here, left this week for Kansas City, where he operates an airplane.

Mr. and Mrs. W. L. Merrick and family returned Sunday from an auto trip to Red Lake Falls.

E. A. Carhart, who resigned as agent at the Soo depot, left Monday to take up his new position as manager of a railroad in South America.

H. A. Sparks of Isle takes his place here. He recently returned from France.

Mrs. H. J. Anderson has returned from a month's visit with her sister in Fredericks, S. D.

J. J. Oys, former manager of the bond department for the First and Security bank of Minneapolis, has accepted a position with the First National bank of Crosby.

Mr. and Mrs. Ross Gillis of Ironton have moved into the George Crosby house, 127 East Main street, in this city.

Joseph Bellefeuille of Hibbing was in town this week. He expects to move his family to that city soon.

Mrs. I. W. Smith left for Minneapolis Monday to visit her daughter, Ruth.

The Swedish Lutheran ladies' aid gave a supper in the church basement Thursday evening which was well attended.

The band concert and dance given Friday evening by the Crosby boys' band proved a successful affair and added a neat sum to the treasury to be expended for new music, etc.

The Ladies' Aid of the Presbyterian church have leased the armory for Saturday evening, Nov. 1, at which time they will give a bazaar and supper.

Miss Laura Breuske, arrived from Wimbledon, N. D., Wednesday to assist her sister, Mrs. Frank Gutzman, who is quite ill.

Miss Ethel Woods, daughter of Mr. and Mrs. Eugene Woods of East Second street south, left Sunday to take charge of a school north of Brainerd.

A. H. Korvella has purchased the Second street south bath house from J. A. Halfors. Mr. Halfors, who came here from Chisholm, has run the place since last November.

H. M. Wandrie has purchased the Korby pop factory equipment and will add it to his own on First St. N.

A duck supper was served at 7:00 o'clock Thursday evening by the Masons at their hall, after which five candidates were initiated.

Mamie Lalle, the 3-months-old daughter of Mr. and Mrs. Lawrence Ratasha, died Wednesday of cholera infantum. The body was laid to rest in Woodland cemetery, Irondale township.

## PROPELLER BLADE OF AIRPLANE KILLS GIRL

Waukegan, Ill., Oct. 23.—Miss Hazel Nolan received a fractured skull and died last night as a result of being struck by the propeller blade of a Curtiss airplane, piloted by Lieutenant Dwight Morrow. She had made a flight over Waukegan with Morrow. After the plane landed, Miss Nolan was unbuckling the strap which held her in the machine when she leaped too close to the propeller. She died at a local hospital.

Catarrhal Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All druggists. 75c. F. J. Cheney & Co., Toledo, O.

This photograph of John Spargo, Socialist leader and a delegate representing the public at the Industrial Conference at Washington, was taken as he was leaving the Pan-American building, where the conference has been in session.

Mrs. G. W. Franson has returned from a week's visit in Duluth.

Mrs. F. A. Johnson is visiting relatives in Henning this week.

Mr. and Mrs. E. R. Burns returned Monday from a visit in Hibbing.

Old Greeks Had Small Heads. The ancient Greeks, one of the most intellectual of nations, were distinguished for their small heads.

## SOLDIER'S DEATH HELD ACCIDENTAL; DOUBLE INSURANCE ORDERED

Topeka, Kan., Oct. 23.—Frank L. Travis, Kansas insurance superintendent, has sent notice to a life insurance company doing business in Kansas that it will be required to pay double indemnity on the life of Roy Giles of Wichita, who was killed in the Argonne fighting a year ago. Following a decision by the United States supreme court, the Kansas insurance department, held the soldier's death in battle might properly be held "accidental" entitling his beneficiaries to double indemnity under the terms of the policy.

## Apostle Spoons.

Apostle spoons, also called "gossip spoons," were gilt spoons given by the sponsors or "gossips" to a child at its christening. They were so called because each spoon had a figure of an apostle on the handle. Wealthy people gave the whole twelve Apostles; those of less means and generosity gave the four Evangelists; while poor persons had to be contented with one, being generally the figure of the donor's or of the child's patron saint.

## SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

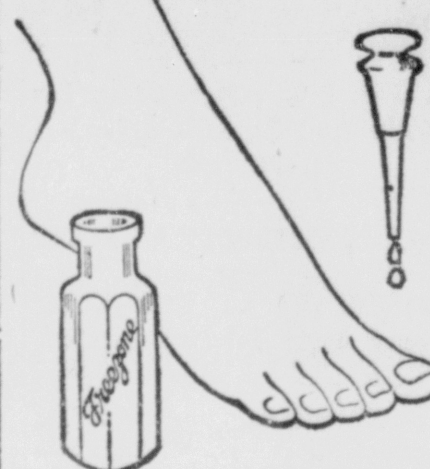

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

## Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

# Taking the Chase Out Of Purchase

Advertising benefits the man who buys as well as the man who sells. It is part of the Golden Rule of Business and it works both ways.

Don't miss the advertisements in this newspaper. Many of them are interesting just because of their news and educational value alone.

But more than that:—Advertisements take the chase out of purchase and make every penny do its full duty.

This last statement is one particularly to be remembered when common-sense economy is not only a national duty, but an individual necessity.

DON'T MISS THE ADVERTISEMENTS.
